Budget disappoints Middle-class 'Aam Aadmi' : Ram Naik

Mumbai, Monday : "Considering ever-increasing prices, income tax concessions are meagre and disappointing to middle-class Aam Aadmi", said Shri Ram Naik, former Petroleum Minister. Adding further Shri Naik said,"Finance Minister failed to introduce measures to curb the increasing prices. The Congress Government has forgotten its promise given during the last budget to achieve GDP in two digits. Now this time the Finance Minister says that he would strive to keep GDP at 9 % for the five years. This government lacks the strong will-power to ensure the development."
