**Ram Naik's reaction on
Petroleum Price Rise**

Mumbai, Wednesday : " This is the last straw on common man's back who is already suffering under the pressure of high increasing prices during the last four years. It is due to lack of any petroleum policy. Congress government will have to pay heavily for it. This decision will accelerate the vicious circle of inflation. BJP will protest against this hike," commented Shri Ram Naik, former Petroleum Minister on prise increase of petrol products.
