

**MNS indulges in cheap talk being sure of defeat : Ram Naik**

**Mumbai, Friday:** MNS has realised that it is now sure to loose. That is the only reason why MNS spokesman and Vile Parle candidate Shri Shirish Parkar is indulging in cheap loose talk that 'BJP leader Shri Ram Naik needs blood tansfusion every three months'. Shri Ram Naik has taken cognizance of his utterance and registered complaint against Shri Shirish Parkar with the Election Commisssion.

While elaborating on the issue Shri Ram Naik said, "Shri Shirish Parkar has breached all norms of decency in Shri Nikhil Wagle's programme 'Aajacha Sawal' on IBN Lokmat channel while commenting about me. I am shocked by his blatant lie about my health. There is not even a single incident of blood transfusion in my whole life. The only reason MNS is indulging in such cheap talk is that now they rightly fear their defeat from BJP- Shivsena. When he called the Marathi-hater I wonder whether MNS leaders have conveniently forgotten the history that I was instrumental in adapting 'Mumbai' instead of 'Bombay-Bambai' in the Centre. My both daughters did their schooling in vernacular medium. Is it not ironical that MNS top - brass who send their children to hi-fi English school are trying to teach me how to respect mother tongue and motherland?"

As Shri Shirish Parkar is presently contesting from Vile Parle Assembly segment his such irresponsible statements also amount to breach of election code of conduct. Hence, Shri Ram Naik has complained against him to the Election Commission. Shri Naik has also decided to take legal action against Shri Parkar.
