

**Railway Minister Responsible for  
Commuters' Anger : Ram Naik**

**Mumbai, Wednesday :** "Railway Minister Shri Laloo Prasad Yadav's insensitivity and apathy is at the root of commuters' fury" said Shri Ram Naik, former Minister of State for Railways (Independent Charge) in a press statement issued today. Shri Naik was reacting on commuters' spontaneous agitation today at Borivli.

Shri Naik further commented, "Commuters have to walk down atleast 3-4 furlong to get the trains coming on platform no.7 and 8 at Borivli. Naturally, they get upset if scheduled train is cancelled. They lost their patience today. Commuters are not getting satisfactory services inspite of quadruplication. There are several other demands as well but the Railway Minister is not giving appointments to the commuters' organizations. Though I am a former Railway Minister he did not give time inspite of several reminders. As if this was not enough to display his insensitivity and apathy he kept on changing the General Manager every now and then. Naturally, the commuters felt that they are being neglected. Today's agitation was nothing but the outcome of their accumulated anger."
